

\$1 million

committed to improved
breast cancer services
at North Shore Hospital

30 towns
visited by our
Pink Caravan

\$982,000

worth of research
projects funded

1,164

calls taken on
our Breast Nurse helpline

Where your money goes

From ground-breaking research to vital hospital equipment, here's how your support helped Kiwis in 2019. By taking part in my fundraiser, you're helping make more of this amazing work possible.

792 patients
funded

for physio
and exercise
programmes

2,360 people
registered for webinars

10 scalp
cooling
systems
worth up to \$500,000
funded

507,000
printed educational
resources
given out

4 clinical
trials
supported at
Auckland District
Health Board

3,000
medical
professionals
trained or reached
with education
